Your discussion:																																					
<p>Gypsum lining cut [30867]; it is fragmentarily preserved and it runs into L.O.E. in some places & there is sand between two layers of gypsum; the cut is concave at the bottom so the gypsum goes slightly under the section.</p>				<p style="text-align: center;">Placement in square</p> <div style="border: 1px solid black; width: 100%; height: 100%;"></div>
