Sketch Drawings (in plan and in profile)

Remember: do not just draw the architectural feature in isolation. Show how it relates to surrounding features and include details of surface treatments, repairs/modifications/damage, bonding material(s), and associated cuts. Annotate all aspects of the feature and surrounding features.

Sketch Plan - Include grid co-ordinates, North arrow, and elevations.

Profile Sketch
State direction the elevation of the feature being drawn is facing e.g. 'West Facing Elevation of Feature

If feature was drawn in section then include the grid co-ordinates and elevations.
