**Sketch Drawings (in plan and in profile)**

**Remember: do not just draw the architectural feature in isolation. Show how it relates to surrounding features and include details of surface treatments, repairs/modifications/damage, bonding material(s), and associated cuts. Annotate all aspects of the feature or use a Drawing Key. Measurements must be included for all aspects of the feature and surrounding features.**

**Sketch Plan - Include grid co-ordinates, North arrow, and elevations.**

**Profile Sketch**

- **State direction the elevation of the feature being drawn is facing e.g. 'West Facing Elevation of Feature ....**
- **If feature was drawn in section then include the grid co-ordinates and elevations.**
