Summary _____

Opened: When F 18563 was removed

Limits (N) W 9825
 (S) L 18570
 (E) L 18570
 (W) L 18570

Closed: medium field stones
 Technical: End of Season

Matrix: medium field stones

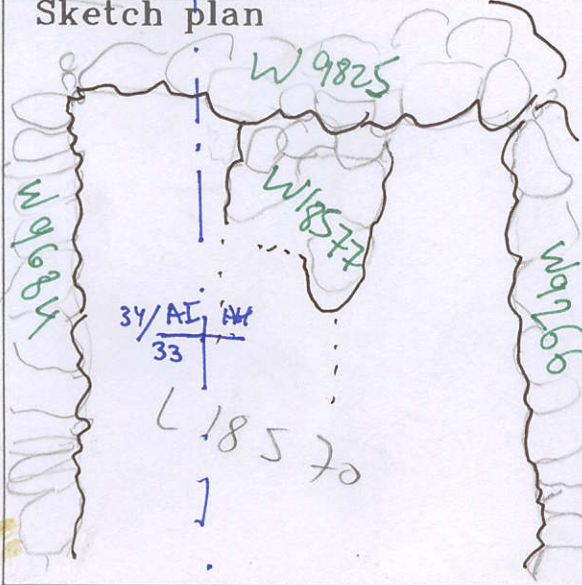

Relations: W 18577 is adjacent to: W 1825 at North
 L 18570 at East, South, + West

By the End of 2000 Season it is not clear whether W 18577 is an earlier divide of the building (if it will prove that it runs below W 9825 - that will be the case), or to what extent did continue southward.
 all we can say is it is earlier than F 18563 and contemporary (and may earlier) with the fine we see at L 18570.

Additional Observations/Value: _____

Locus
W 18577
